

Call for applications for Artist in Residence Altes Spital Solothurn

Periods starting January 2022.

Altes Spital Solothurn offers artists from all over the world a three months art residency. After consultation the duration of the stay can be extended for one month. The artists have the opportunity to work in a Swiss provincial town and meet local Artists. The goals of the Artist in Residence program are:

- Exchange between Guest artists and local Artists or cultural culprits.
- Support cooperation and dialog between Guest artists and local artists.
- Give access to the Swiss art history. (Guest artists receive the museums pass, which allows free entry to most museums in Switzerland).
- Presentation of the artwork or studies at the end of the residency.
- Guest artist are invited to organise open studios and workshops.

Residency Program

The guest artist will have access to a large studio to create his/her work and an apartment including a complete kitchen, a bathroom, 2 beds, Wireless-Lan and telephone. Studio and workshop for screen printing is also available for the guest artist. Altes Spital helps to organize a work show or presentation at the end of the residency; the jurors can give support to invited artists.

We require our guest artists to be self-organized.

The guest artist will be responsible for the care of his/her studio and apartment during the period of residency. The offer contains the costs for the apartment and studio. The guest artist will be responsible for the costs of living, social insurance and project-contributions. Altes Spital can make a small contribution to an interesting project. The resource is bounded on the project (Material cost, spezial infrastructure, spezial supports) up to max CHF 1000.-

Knowledge of the German, French or English language is a must.

Deadline for applications

The deadline for applications is by 22 November 2021.
